FIFA is one of the most celebrated games in sports history. FIFA 20 will deliver players with a new experience, including revolutionary ways of playing and enhanced AI. The FIFA library contains a catalogue of over 600 clubs and 25,000 licensed player names from around the world. Players are added to the game as they emerge as young talents. From Marouane Fellaini to Lionel Messi, they all make an impact, help build clubs and grow into superstars. Over 1,500 official licensed player moves, formations, kits, stadiums and more will immerse players into the real-world football experience. The FIFA coaching and training system was designed from the ground up to make the game more immersive by reflecting the way real coaches teach football, putting players under pressure, and making game difficulty just as realistic as skill and strength. Key Features: Powered by Football The ball feels and behaves more like a real football than ever before. Take everything from touch, control and ball physics to more aggressive tackling to the game to a new level. Also includes physics-based shot power and rate of recovery. FIFA Inside GA Player Impact - Your players will feel the force of each tackle, pressure and shot, and will recover faster when facing off against real opposition. Real World Rules - Play with the feeling and look of a real football game. In addition to the English and Spanish rules, FIFA 20 supports many new rules and includes new ways to win and lose. Players can even be sent off or receive red cards. Enhanced AI - Players will strategize and think for themselves more than ever before. In addition, they'll learn from their mistakes and adapt their play to the situation. Master League Define your approach to management in the Master League, or control the live Master League match. Create your team from all over the world. New League Play out a new season from top to bottom with the introduction of a new league in FIFA 20. Master League Online Experience live entertainment, competitive play, or competitive events. New Features New Elements of Gameplay In FIFA 20, move controls feel more responsive. Also, take control and dribble with more intuition. New Precision Passing and Shooting Become more of a creator with new on-ball moves. And help create goals with your passes to the back stick.
