New Online Modes Two new online modes are added: FIFA Ultimate Team and EA Sports FIFA Club.

- **FIFA Ultimate Team (NEW)** New to FIFA Ultimate Team (FUT) mode is the “My Team,” which can be accessed whenever players want to create their own custom-built team from nearly all of the available official players and kits in FIFA 21. The My Team can also be used to challenge players and create customized profiles for players that are used as virtual managers to manage a squad of players.
- **EA Sports FIFA Club (NEW)** A brand-new club management mode is included in FIFA 21. It enables players to manage their own club, from the boardroom to training ground.

Players can become coaches and build their squad, change tactics, scout for new talent, and set plans for match days, the squad, and more. The new mode, EA Sports FIFA Club, provides a new way for players to access the experience of managing a club while on the go. Instant Action Added The brand-new Instant Action mode is also included in FIFA 21. For the first time, players can challenge other players online in multiplayer action. Gamers can play as any FIFA 21 player and use a selected set of on-field moves, tactics, and challenges that can be selected by clicking to change during gameplay. New Foot Movement System An all-new foot movement system is also included in FIFA 21. Fans can now take their boots, cleats, and cleat straps with them into offline multiplayer and franchise modes. Players can utilize vertical and horizontal tacking, or toggle individual foot positioning and the direction of a player's feet to move toward or away from an area on the field. New Competitive Seasons: Season Premiere, Season Playoffs, and Season Finale EA Sports introduces new game seasons in

FIFA 21 that allow for more strategic play and fewer matches for players to grind. Season Premiere mode begins after the World Cup™ has concluded and features eight groups of four teams that compete against one another in a knockout-style tournament. Players will play between 11 and 12 matches during each season. The Online Challenge League, which was introduced in FIFA 20

Features Key:

- Live out your dreams as both a manager and a player in FIFA 22. Create the newest club in FIFA, design your kits, style your stadium, and choose whether to compete with the elite or rise up from the lower divisions as you manage your club to glory. Or test your skills as a player, with a more immersive Player Career mode that gives you more ways to progress, achieve, and immerse yourself in your Pro's journey through the game.
- FIFA 22 introduces "HyperMotion Technology," which uses motion capture data collected from real-life players playing in a complete football match. The data collected from player movements, tackles, aerial duels and on-ball actions is used to power FIFA 22 gameplay.
- 10 playable leagues and over 700 licensed clubs bringing an authentic atmosphere to Master League, Premier League, Serie A, La Liga and many more.
- Play the way you want in all 5 game modes, Football, UEFA Euro 2016, My Player, Online Friendlies, and Career.
- The PES and FIFA JAPAN communities will also be able to apply submissions to the new "Socially Impacted Player" system that is accessible after being voted in by a majority of a country's socio-demographic groups. Vibrant and rich contextual storylines enrich the game-play experience.

Break your greatest dreams down into small pieces and put them in the Ultimate Team. Make your dreams a reality with over 200 new cards, including brand new players, kits and equipment, along with cards you've already collected or unlocked in FIFA Classic. Build your Ultimate Team from the ground up, with a team of proven world-class legends or create a custom team by selecting from over 600 new Draft or Transfer cards. Choose from soccer stars of the past, present and future, as well as tactical experts from all over the world. MyClub - Live out your dreams as a manager from a perspective that is closer to the players. Create your dream team, train players, scout new talent, and the ultimate scene! Develop your team through the domestic leagues and tournaments, making your goal of leading your team to the ultimate glory. From the Premiere League to your fantasy league, everyone can live out their dreams as the manager. Career Progression and Development - The player development

system has changed to include more of a continuity between seasons for your players in addition to increasing the overall depth of the experience. Increased depth will improve a manager's ability to properly align his playing style to the type of squad he has at his disposal, giving greater control as the manager and increasing the overall impact of in-game adjustments. Tactics - Tactical disciplines have had a significant overhaul to bring more tactics, tactics training, and intelligence into gameplay. The depth of tactical intelligence has been increased, allowing managers to micromanage player positions, roles, formations, tactical substitutions, and more. This will make every game more enjoyable for the avid tactician, while still providing a great tactical experience for the casual player. Improved Weather - New rain/snow effects, as well as dynamic changes to the pitch itself, will make the feel of the match unique and even more dramatic. Dynamic pitch effects will also provide a more authentic experience and make it feel like a football match, instead of a bunch of sprites

running around on a virtual pitch. Enhanced User Interaction - The user interface was further streamlined and simplified. Multi-Language and Multiple Languages - 11 new languages have been added for this edition of FIFA. Additionally, a new language, Arabic, has been added for those who speak that language. What's new:

- **For the first time, feel the intensity of every challenge with HyperMotion Technology: the engine captures and responds to real-life movements from high-level players in motion capture suits, using the same data points and gameplay logic that players themselves use. The bigger the challenge, the more sense it makes. Whether it's switching in from the wing or slipping a pass to an unmarked teammate, every decision you make will be more realistic and satisfying.**
- **Turn-based, tactical matches let you plan your move before your opponent - and it's never too early to strike, as there are now 1.3 billion player ratings to discover and a worldwide "player scouting" network that makes sure you always find the best talent and get challenging opponents.**
- **FIFA 22 makes good on its promise of reinvigorating skills-based gameplay by giving you new ways to score and new ways to take down a player.**

-
- **Good old-fashioned passing is easier than ever with more dribble moves, more off-the-ball movement and better awareness of real-life ball and player movement.**
 - **Every decision is in your control, from diving in from outside the box to finishing moves off with a killer off-the-post flick.**
 - **Geolocate your favorite players to see where exactly you can spot them on the pitch.**
 - **Feel the intensity of every single challenge with HyperMotion Technology. The engine captures and responds to real-life movements from high-level players in motion capture suits, using the same data points and gameplay logic that players themselves use.**
 - **FIFA Ultimate Team mode lets you play like a manager or player - do you have what it takes to defy the odds and prove yourself to be one of the best on the planet?**
 - **Discover never-before-seen player ratings and attributes to unlock and strengthen your Ultimate Team.**
 - **Our live games mode lets you play online and offline against your friends, and pits you against the best FIFA players from around the world.**

FIFA is the world's leading video game brand on consoles. Developed by Electronic Arts Inc., FIFA is a series of association football video games, and is available for play on most major consoles, mobile platforms, personal computers, and game consoles. The series began on the Apple II computer. From November 16, 1984 until 1990, the

game was distributed by Electronic Arts. EA acquired the exclusive distribution rights to the FIFA series in 1991 and has continued to sell the games, including the most recent installment FIFA 18. Worldwide sales of the series since its launch have exceeded five billion copies, including the Mac and iPad versions. The FIFA series is the most successful sports video game franchise of all time. The series currently has annual sales of over 100 million copies. Top Players in FIFA 19 For the new generation of consoles, you can enjoy the gameplay of FIFA at a whole new level. This year, EA SPORTS FIFA 19 will take you to the pitch with even more action than ever before. FIFA 19 includes revolutionary improvements across the entire experience, including: A deeper, more responsive passing system: With over 15 million passes sent in FIFA 19, it's never been more important for you and your teammates to have the right chemistry to unlock the potential of this new experience. The ball will now

pass through players with more realistic physics, and you can now slide tackles to create space for your team to exploit.

Increased defensive anticipation: See the moves on the pitch before they happen thanks to new Real Player Motion Technology. Defenders will move towards a player with the ball, eliminating dangerous counter-attacks and making it a lot harder for the opposition to get past your defence.

Better goalkeeper AI: With new behaviours, improved positional awareness, new camera options, and more tactics for goalkeepers in FIFA 19, you'll notice your keeper's hero work a lot more than ever before.

World class team chemistry: Add new chemistry abilities to any player and instantly bring out their best attributes. Scaling back your players' attributes for a period of time will let you see their true potential before it's too late.

Expanded presentation: A revolutionary presentation system allows you to have

more control over the camera, the light and the crowd in order to achieve the perfect match-day atmosphere for yourself, your team and your fans. Improved player individuality: AI-controlled players are more intelligent in FIFA 19, reacting and thinking for themselves within your tactics and also interacting with your team more
